Description

A stylish early 20th century brass desk lamp with a pretty vaseline glass shade. The brass has a beautifully patinated finish and both the arm of the lamp and the angle of the shade are adjustable. The lamp has been re-wired and PAT Tested and is in good working order. It takes a standard bayonet bulb (bulb not included with lamp). It is in good condition for its age. There are signs of age and use and some surface marks here and there and a few small nibbles around the rim of the shade but overall it displays very well. It has been lightly cleaned and is ready for use. The base of the lamp measures approximately 6 1/2" (16cm) wide. The lamp stands approximately 14" (36cm) tall with adjustment and the shade is approximately 7" (18cm) diameter. Tracked UK delivery £15
