Description

A lovely 19th Century pine high back box Settle. It has a curving planked back with traditional wing shaped sides and arms. It has a thick seat with two useful lift up storage compartments in. It is in good condition for its age and the pine has a wonderful warm colour. There are signs of age and use and also signs of old worm in many parts (see photos). It has all been treated as a precaution and has created a lovely aged patina. The whole piece has been cleaned and given a gentle wax and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Nationwide delivery available through our network of reliable couriers.
