Description

Circa 1930 a glass and brass pump action Barber's shop cologne dispenser in very good condition. It is 30cm in height and the diameter of the glass at the widest part is approximately 16cm. The brass pump action works well and it still has the original round wooden top. On the base of the glass the words MURFREESBORO TENNESSEE can be clearly seen with what could be the manufacturer's name, or the name of the Barber's shop. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad, please contact us for a delivery quote.
