Description

A fantastic late Victorian solid silver pendant with a fat iridescent cultured pearl surrounded by a halo of calibre-cut emerald green pastes. In very good antique condition, with light wear in keeping with age; some of the pastes have yellowed very slightly (less in real life than in the photos) but the pearl is lovely and gleaming and has lost none of its nacre. Size: 5 x 2.6cm. Weight: 4.2g. FREE INTERNATIONAL SHIPPING
