Description

This is a very attractive 18th century dress base. Made entirely of oak and in superb untouched condition. The colour difference between the base and top is very unusual and the escutcheons look to be rosewood inlay. The size is very attractive and with the three deep drawers it is a very practical piece so an ideal console table. Minor marks and losses consistent with age but nothing that takes anything away from the piece. Height 80cm Length 180cm Depth 66cm. Price includes UK mainland delivery.
