Description

This is a very elegant early 20th century sofa in the regency style. Great quality piece with a fabulous shape and unusual sabre legs. The front legs are beautifully carved and makes this a real feature in a room. The cushioned deep seat means it is also very comfy. The fabric isn't new and has minor wear to the back but should you like it as is you can use it perfectly. Measurements Height 83cm Width 200cm Depth 90cm Depth of seat 56cm Height of seat 51cm (on my website) If you would like this sofa upholstered please click yes in the upholstery drop down menu. This would require 12 metres of material. You can supply your own or please browse our collections under the material section. All my armchairs and sofas have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery but not upholstery
