

SA792331

1920s Lemania chronograph pocket watch

Price

Sold**Item Reference: SA792331****Date of manufacture: 1920**

Description

1920s Lemania chronograph pocket watch. The watch has a 17-jewel Lemania 19NT stem-winding movement which is working nicely. The movement is protected by an inner hinged cover. The watch measures 50mm diameter excluding the winding stem and the loop. The case is gold plated and was made by the English watch case makers, the Dennison Watch Case Company. Overall, the case is in good condition with just light surface marking. The watch glass is in lovely condition. The dial has a patch of damage to the edge of the dial, next to number 8. Other than that, the dial is in very nice condition with original hands. There are two subsidiary dials, one for constant seconds and the other records up to 30 minutes. The watch comes in an antique presentation box.
