## Description

A most attractive and very fine Victorian Inkwell. A lovely heavy cut glass ink bottle sits neatly and securely in a circular silver stand. The lid of the bottle comprises a handsome silver collar and is hinged. The underside of the stand is covered in a lovely blue felt baize material. Clear hallmarks are visible around the rim of the stand for the Birmingham Assay Office with a date mark for 1900 along with the Lion Passant indicating the finest sterling silver. The maker's mark is also visible: E J Houlston (also with partial marks on the underside of the lid). Nicely sized, and the great condition, this Inkwell would grace a desk splendidly. A fabulous gift! Hallmarks: Birmingham 1900 by E J Houlston. Measurements: Height: 11.4 cm Diameter width at base: 10.4 cm Weight: 110 grams. Weights and measurements are approximate.
