Description

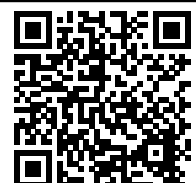

A gorgeous vintage leather wing back armchair, in the antique Georgian style. This was made in England & I would date it to around the 1930's period. The quality is excellent and this is extremely comfortable. We have had the leather revived and hand coloured by our leather restorer. There are some light signs of wear and distressing, nothing major and all adding to the character. The legs have also been polished and revived, this is in lovely overall condition for its age. Width – 31 inches , 78 cm Depth – 36 inches , 92 cm Height – 40 inches , 102 cm Seat height – 16 inches , 41 cm
