Description

Gents 9ct rose gold Rolls wrist watch, 1951. The watch has a Swiss FHF hand-winding movement, signed Rolls, which is working nicely. The watch measures 31mm diameter excluding the winding crown and the lugs so it would suit a man with a slimmer wrist. The case is 9 carat rose gold and there are hallmarks inside the case back for London 1951 with a sponsor's mark for City Watch Case Co Ltd (Louis Arnould). The case is in good condition, just one small indentation to the back. The back of the watch has a 1952 inscription. The lens is in lovely condition. The dial is signed Rolls, a brand name registered by Ebel in 1927. It is in its original finish with original hands, a subsidiary seconds dial and outer minute markers. There is some light freckling across the dial and a little age related discolouration. A new leather strap has been fitted. The watch comes in a new presentation box.
