Item Reference: SA792759**Date of manufacture: 17th Century**

Description

An interesting early maker, born 1649, married 1680, working until the 1720s. Only two or three clocks are known by this, one of the earliest, Surrey makers. The clock has an original verge escapement, the movement has been converted to chain drive and the doors are later replacements, which is quite normal for a clock of its type. Serviced and guaranteed for 3 years. CIRCA. 1685 Provenance: Private collection - U.K. Would you like to view this clock in your own home? Contact us to arrange a viewing with our Homeview service.
