Description

A very well proportioned mahogany longcase clock of 8 day duration with "rocking ship" automaton in the arch of high quality. The 12" painted break-arch dial with subsidiary seconds dial, original finely blued steel hands, brass ring winding holes and date aperture. The arch depicts a rocking ship sailing down the Bristol Channel, the sailor looking on inscribed "Westcott Bristol". The high quality light mahogany case with long trunk door. Cantled corners. The hood with true Corinthian columns and cast brass capitals. Swan neck pediment and original eagle finial. Original door lock and key. Serviced and guaranteed for 3 years. Height: 88" or 224cm CIRCA. 1820 Provenance: Private collection - U.K. Would you like to view this clock in your own home? Contact us to arrange a viewing with our Homeview service. (T&C's apply.)
