## Description

A small 18th century mahogany cabinet on a three drawer base standing on ogee feet. The doors with astragal mouldings and carved paterae with a well-figured panel; the interiors with a shelf sitting on a bearer. Fine carrying handles and original Rococo handles. Circa 1765 John Beazor Antiques is a family firm, established in 1875 and based in Cambridge since 1940. We are a traditional antiques shop, but very much in the 21st century. We deal in 18th and early 19th century furniture, barometers and clocks. We choose our stock for its originality and for the quality of its colour, patination and design. We are members of the BADA. We do not exhibit at fairs preferring to deal from our Cambridge shop where – in normal times - we hold an Open Weekend every November.
