Description

A gorgeous original vintage Art Deco period compactum wardrobe in burr walnut. This was made in England, it dates from the 1930's. The quality is outstanding, this is one of the finest examples we have seen. The construction is all solid wood, with stunning burr walnut veneers on the doors and drawers. Even the inside of the doors are finished in beautiful figured walnut. This is a useful size, tall and slim, with lots of handy storage space. There are two deep drawers at the bottom, and the top contains three large pigeon hole cupboards, and a hanging space with a pull out hanging rail. We have had this stripped and re-polished to a very high standard, the condition is superb throughout. Width – 92 cm , 36 inches Depth – 49 cm , 19 inches Height – 170 cm , 67 inches
