## Description

1928 silver double watch albert and fob. The albert consists of two chains, each measuring 22cm long including the T-bar and the clasp. The T-bar and the clasps are all hallmarked for 1928 with a maker's mark for the Birmingham silversmith H Bushell & Son. Each of the links has the lion silver mark and one has the H Bushell & Son mark so we can be sure that all the albert's components are original to each other. Also attached is a shorter length of chain with a silver fob made by the London based Masonic jewellers and outfitters Toye & Co. The date letter is for 1950, and the fob was presented for the 1950-1951 season. The front of the fob has the wording, 'Assoc M R League, London' with a crown topped shield to the centre. Total weight of the chain and fob is 47g.
