Description

A beautiful and unusual vintage Art Deco period compactum wardrobe, in amazing figured and burr walnut. This was made in England, and dates from the 1930's. This is a very useful and compact size, with lots of storage space. There is one deep drawer at the bottom, with five smaller drawers running up the right hand side. The left hand section contains a large cupboard, with a pull out clothes rail. All the handles are original and beautifully made from Bakelite. This is predominantly made from stunning figured and burr walnut, with the most amazing grain patterns. There are also inlaid bands of burr maple and rosewood. We have had this stripped and re-polished to a very high standard, the condition is superb for its age. Width – 86 cm , 34 inches Depth – 51 cm , 20 inches Height – 154 cm , 61 inches
