Description

A pair of Victorian Mahogany Balloon Back chairs. A good matching pair if you want to extend a smaller set or to use as a pair of chairs in their own right. Versatile to use in a bedroom too perhaps. In tidy but unrestored condition there are no breaks and the upholstery is still most useable. We can arrange reupholstery if required in whatever type of fabric you wish at £35 per chair plus vat and your own fabric of choice. This pair are very reasonable in price as we have not had to rejoin and re French polish them. We also have a set of 10 being restored in our workshops now and sets of six and eight in our store rooms. Sizes below are on the seat, all are pretty normal, overall height is 86cms. Give us a call to discuss if we can help with any size set. 01565 874075.
