Description

Beautiful Art Nouveau bronze candlestick /chamberstick,c1900.This is the nicest example I have seen in many years of collecting. It is a great casting and very heavy for its size (weight 1.2kg). The form and decoration is very typical of the Art Nouveau period with lovely flowing lines. It is signed 'C Stogying' on the base. Overall condition is very good and it has taken on great colour/patina following years of use. Please refer to the detailed photographs and feel free to contact me if you would like to view the item or have any questions. Price includes FREE UK delivery. Size: 18cm tall x15cm wide x 15cm deep, weight 1.2kg.
