## Description

A splendid Edwardian mahogany nest of four (4) tables c1900. The tables stack smoothly, the smallest table has an under tier. The mahogany tops are inlaid with boxwood in a crenellated pattern. The shapely legs also are line inlaid. The condition of each table is remarkably good for the age. No damage or wobble. And the colour and patina display a rich lustrous mahogany. Very useful for social occasions, the tables stack neatly away when not in use.
