Description

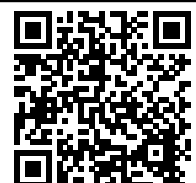

A beautiful artist signed bust of a woman, this is made from some sort of composite, possibly resin. It's hard to date, but has some age and I would estimate around the early twentieth century possibly 1930's. It is beautifully made, is a nice medium-small size and has the artists signature BR on the back. This is in great condition for its age, with some minor wear and no damage. Width – 8 inches , 20 cm Depth – 5 inches , 13 cm Height – 13 inches , 33 cm
