A wonderful antique lowboy side table in burr walnut. This is in the Georgian style, it dates from the 1900-1910 period and was made in England. The quality is excellent, this has beautiful burr walnut grain patterns and a lovely colour. The top and drawers fronts are cross banded, the handles are top quality brass. The drawers are solid wood lined, with fine dovetailed joints. This also has a nicely polished back, so can be used as a free standing item.
