Description

Easily one of the most dazzling and eye-catching engagement rings we've seen. The rubover set diamond in the centre displays a soft and subtle champagne hue, the colour of which is highlighted by the seventy-eight pavé set rose cut and eight-cut diamonds the surround. The tri-split shoulders leads to a slim and fluted platinum shank. A wonderful ring that absolutely gleams with fire and brilliance. Accompanied by an independent jewellery report from IGR (#30309565). Cut – Transitional cut in the centre with rose cuts and eight-cuts in the surround. Colour – Light yellow (P) in the centre, with white diamonds (F to H) in the surround. Clarity – SI1 in the centre. The smaller diamonds are VS2 to SI1. Carat – The centre is approximately 1.02 carat, with a further approximate 0.86 carat in the surround. Circa – 1945. Size – R (UK) or 8 5/8 (US).
