Description

We really can't sing the praises of these fabulously stylish wall lights enough. Originating from France these Art Deco matching pair of lights feature very heavy thick satin pressed glass slip shades which sit snugly inside heavy metal nickel plated wall brackets. Superb geometric patterning to the glass, they look as equally impressive switched on or off. Condition is excellent, no damage to report. These lights have not been re-wired, we recommend a qualified electrician do this when installing which should only take a few minutes. FREE UK DELIVERY.
