Description

A stunning and extremely comfortable antique sofa upholstered in gorgeous burgundy leather. This was made in Sweden, it dates from around the 1900-1920 period. The quality is absolutely outstanding, this is extremely sturdy and heavy. We have have had the burgundy leather hand coloured and revived by our leather restorer. The condition is great for it's age, with a lovely patina, loads of character and just minor age related wear. This sofa was extremely well made, with hand coiled springs under the seat & the origin insides. The backs & arms are leather buttoned, with leather piping between & it also has very good back support. We also have the matching pair of club armchairs that came with this from Sweden, seen listed under our other items for sale.
