Description

An impressive and substantial 19th century French Napoleon III black & gold figural lion mirror, c.1870. The mirror boasts its original mirror plate which remains in a very good condition with some very slight foxing to the edges in places commensurate with age. The frame remains in a wholly original condition and as such there are hairline cracks throughout to the plaster (please see photographs); note that these are surface cracks and the frame itself remains extremely strong. There is a small portion of damage to the top right of the figural plaster (please see photographs).
