Description

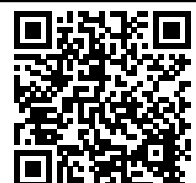

A stunning pair of antique Edwardian period armchairs in mahogany. These were made in England and date from the 1900-1910 period. They have a very elegant design, with sweeping arms, a beautifully pierced back and tapered legs terminating in spade feet. They are solid mahogany with exquisite satin wood inlay throughout. I particularly like the Satinwood inlaid swag design on the backs. We have had these restored and re-polished, the drop in seats have been newly upholstered in our cream cotton fabric. The condition is excellent for their age. Width - 21 inches , 54 cm Depth - 21 inches , 54 cm Height - 18 inches , 46 cm
