Description

A lovely example of a small salon tub chair dating from the mid 19th Century. It has a nicely shaped button back with ebonised and gilt turned legs with its original Cope & Collinson brass castors. The chair has been recently upholstered in a good quality, stylish yellow fabric that compliments the chair. The chair is approximately 27" (55cm) wide and 24" (61cm) high. The seat is 19" (48cm) deep and 12" (30cm) high. The chair is in good overall condition. It runs well on its castors and is a good sturdy chair. There is one small mark on the upholstery on the top rail and a few general marks and small knocks around the legs but nothing detrimental.
