## Description

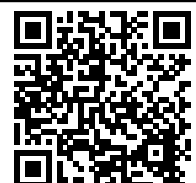

Professionally serviced with a 12 month warranty. Pair of solid 9ct gold gents pocket watches by the premier Swiss maker Vertex both dated to 1964. The calibre 65 17 jewel watch movements are just superb, as you can see both are in fabulous like new condition. The sub second dials are in near mint condition having been fully restored. A glasses have been fitted and the case professionally cleaned and polished so it is absolutely pristine. Very much of the Art Deco design. The watch cases are 47mm in diameter. Vertex is one of the most premier watch makers and this watch certainly has that understated elegance that whispers class. This is a rare find indeed and certainly the ideal present for your sons! The watch has just been fully overhauled and serviced. It has been fully authenticated and found to be a genuine Vertex in all respects. This watch has been fully and professionally overhauled, the process is highly detailed and meticulous The watch is stripped down to its component parts and each part is examined under high magnification for signs of wear, any worn parts are replaced with genuine manufacturers original parts. every part is then thoroughly c...
