Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Movado. It has a solid 18ct yellow gold case and is fitted to a beautiful solid 18ct gold design bracelet but the most unusual and eye catching part is the hood which disguises the dial. Very versatile as it can be used as a bracelet as well as a time piece. The dial is just stunning with gilt hands and baton markers. It will fit a maximum wrist size of 175mm or 6.75 inches. Of course it is fully hallmarked as photographed. The case and bracelet have been professionally cleaned and polished so it is absolutely pristine. This is very much a piece which is a real talking point and has that understated elegance which resonates class. The watch case measures 17mm wide not including the crown. Overall this watch is in incredible mint perfect all original condition and looks as if it was hardly ever worn, it would certainly make a perfect gift. The watch has just been fully overhauled, restored and serviced and is guaranteed to be a genuine Omega in all respects. This watch has been fully and professionally overhauled, the process is highly detailed...
