Description

A delightful vintage ring dating from the 1940s-50s, this style is often called "Thai princess" because of the pointed shape akin to a traditional Thai dancing crown. Supersparkly in the sunlight, the ring is set with a mixture of natural gemstones and pastes, mounted into sterling silver on a 14-carat gold shank. Marked 14K. Overall the ring is in good vintage condition; one of the yellow stones has a tiny chip when seen under strong magnification. Size: L (UK), 5.5 (US). The jewelled face of the ring measures approximately 1.4cm north-south and the top sits 1.2m above the finger. Weight: 3.8g. FREE INTERNATIONAL SHIPPING!
