Description

Superb mahogany and brass inlay mantel clock by Samuel Marti C1890 ~~~ Excellent original condition throughout ~~~ This is an extremely fine mantel clock by the famous french clockmaker Samuel Marti. The fabulous cloud shaped case is made of mahogany which has a wonderful depth of colour and grain and this is complimented by the finely executed floral brass inlay around the dial. It stands on small brass button feet. As you would expect from Samuel Marti it has one of the finest French movements that you will find, it is fully marked with the round medal d'or stamp indicating that this was a gold winning movement, it is totally original and has just undergone a full and comprehensive service by Alan Williams of Plymouth Clocks, a Fellow of the British Horological Institute, so is in tip top condition and should give trouble free service for many years to come. It comes with its original pendulum and both keys. There is a slight chip to the bottom edge of the enamel dial which is all but hidden by the brass bezel when the door is closed, it is quite minor and does not detract from the overall piece. It runs for over 8 days between winding and strikes on the hour and ...
