Description

These magnificent frames came to us in a somewhat "used" state; the backs were not salvageable and we have had them both professionally re-made, restoring them to their former glory, more than 100 years ago. Better still, the folding easel stands allow them to be used in both a portrait or landscape configuration. The cognac coloured crocodile skin is in excellent condition. They are an impressive and important pair measuring 13 5/8" tall x 10 7/8" x 1" thick; their glazed aperture measures 11" x 8 1/8" to display your most cherished of pictures. Excellent condition c.1900/1910. Item: 43083 / 43085 FREE Worldwide Registered Airmail Directly From the UK
