## Description

About as stylish as they come, this is a very fine example of an Art Deco entree / serving dish with lid. Made from silver plate, it has just returned from my silversmith's workshop where it has undergone professional cleaning and polishing, restoring it to its former glory, a stunning centrepiece on the dining table. The top has a beautiful carved Rosewood finial. The underside is where the Orfèvrerie Gallia can be found. Dating to c.1930, it remains in superb condition and measures 12 1/2" handle to handle x 7 1/2" x 4" tall to top of finial. Item: 43046 FREE Worldwide Registered Airmail Directly From the UK
