Description

Georgian walnut chest on chest This Georgian walnut chest on chest was made circa 1740. It is of a lovely size that makes it ideal to put in many areas of your home. The cabinetmaker selected wonderful walnut for the drawer fronts that are alive with colour and movement. He laid the walnut so that the grain and figure follow right up the front of this stunning piece. The top section (this is made in 2 sections to allow easy movement in and around your home) is fitted 3 drawers along the top and a further 3 graduated drawers under. The base section consists of 2 half width drawers and a further 2 full width drawers below. It stands on straight bracket feet, Imagine the pleasure of ownership this will give you and the attention it will draw from your family and friends as they also admire this fantastic piece of Georgian furniture. Of course, not only does it look fantastic it will provide much storage as there is no wasted space. 100cms wide 39 1/2ins 53cms deep 21ins 108cms high Measurements are approximate, whilst we take care in measuring there may at times be a very slight difference.
