Description

For your consideration is this super stylish Art Deco Chanel Bottle with its cover which is a silver plated stand, marked underneath 'depose' which means patent applied for. Superb enamel decoration with clouds of blue and black, very indicative of this wonderful era and we know all Art Deco fans will appreciate. The bottle itself is marked underneath eau de parfum, Chanel and still retains some residue of perfume and aroma which I have to say smells gorgeous! Perfect piece to add to any vanity collection or decorative prop for the dressing table or bathroom. FREE UK DELIVERY
