Description

This is a wonderful example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. The calibre 370 manual winding movement is beautifully made, totally reliable and as you can see it's in fabulous like new condition. Everything about this watch is completely original, the dial is in superb condition, it looks as though it has hardly been worn. It has a stunning integral bracelet which really does stand out and catches the light. The case is made by Baume who were the Longines casemaker and agent in the UK. A new glass has been fitted and the case has been professionally polished. As you would expect the watch is fully marked on the dial, movement and case. Longines are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 33mm in diameter not including the crown and it will fit a maximum wrist size of up to 7 inches. The watch has been fully serviced and is guaranteed to be a genuine Longines in all respects. It has been professionally serviced and overhauled, the process is highly detailed and meticulous. It is stripped down to its ...
