## Description

A fine example of a beautiful rosewood book trough dating from the early 19th Century. It is well made with three sides and small elegantly turned handles. It is in good condition for its age and has been very well looked after. There are some minor signs of age and use but nothing detrimental and overall the piece displays beautifully. It has been cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £10
