Description

A stunning and unusual vintage folding Tole metal side table. This was most likely made in France & I would date it from around the 1920-30's. The quality is excellent, with beautiful decorations and a lovely colour tone. It has a ring on the side which serves as a carrying handle when folded, or even as hook to mount this on the wall when not in use. It has a nice amount of wear and patina, with various minor old marks here and there, seen in the images. Width – 17 inches , 44 cm Depth – 17 inches , 44 cm Height – 19 inches , 48 cm
