Date of manufacture: 19th Century

Dimensions

Height = 19 cm (7.5")

Width = 6.5 cm (2.6")

Depth = 6.5 cm (2.6")

Description

A charming pair of French Faience posy vases, probably Dèsvres area circa 1800. The vases are tapered form to a flared foot with pinched corners. Each has similarly painted central cartouche. Then the body is extensively decorated with floral and scrolling forms. The base is marked with a tally mark and pattern number. Over all excellent condition with minor age related fritting, which is expected with stoneware of this period.
