## Description

This is a Victorian metal-bound trunk. There are a couple of the metal pieces missing, it has the original locking hasp and carrying handles. I have it from a local house clearance and not done any work on it I'm selling as found. It's a great project for someone to make into a coffee table with storage or kids toy box its got plenty of uses. It is 3ft 7inch wide. 1ft 8inch high. 1ft 9inch deep.

Internal Ref: metal bound box.
