Description

We love this table, great rustic look, loads of character and excellent quality construction. Made from solid Oak in the early 1900's and having a great thick top (very heavy !). Great chunky legs. It also has 2 extensions that sit on slide runners that pull out each end for those occasions when needed each extension is 59cm so giving a possible length of 346 cm. It comes apart for access into the home. We have bleached this for a a fresh look but in excellent original condition for the home.
