Description

A beautifully striking antique marble top coffee table, which I would date to around the 1890-1910 period. It has a Moorish influence and was possibly made in Spain or it could be Colonial. The frame is spectacularly carved from solid oak or teak, with wonderful intricate patterns and amazing dropped accents around the edges. The condition is very good for its age, there is some minor wear to the frame here and there. The inset marble top has a few very minor chips to the edges, which are barely noticeable but seen in the images. Width – 37 inches , 94 cm Depth – 21 inches , 54 cm Height – 15 inches , 39 cm
