Description

Gents 9ct gold Garrard wrist watch, 1958. The watch has a Swiss 17-jewel hand-winding movement which is working nicely. The watch measures 31mm diameter excluding the winding crown and the lugs. The case is 9 carat gold and there are hallmarks inside the case back for Birmingham 1958, together with a case maker's mark for Aaron Dennison. The Birmingham based Dennison Watch Case Company supplied various companies with cases. The case is in lovely condition and the case back has a 1958 long service inscription. The back has protective plastic on it from when it was serviced in April. The lens is in lovely condition. The signed dial is in its original finish and has blued steel hands, a subsidiary seconds dial and outer minute markers. The dial has darkened with age but still very easy to read the time. A new leather strap has been fitted. The watch comes in a new presentation box.
