Description

An Antique George V Sterling silver teapot which has been designed in the Arts and Crafts style with a round hammered effect body, a tight fitting hinged lid with a circular finial on the top, a stylish handle with attractive patterned features and resting on three simple feet. This desirable silver teapot would make an interesting addition to a collection and would be perfect to use. It stands at 13.20 cms high, has a body diameter of 15.00 cms and measures 30.00 cms from the handle to the spout. It was hallmarked in London for 1921 by Northern Goldsmiths Co. and remains in excellent condition. It weighs 20.10 troy ounces(626 grams). Complimentary postage is included within the price of this silver teapot.
