Description

This is a very shapely 19th century English country house armchair. Extremely comfy and an ideal lounging chair. The legs are turned mahogany and are capped with thick brass casters. The chair is a very large size as well so it would definitely stand out in a room. The springs have been re done as with all my chairs but the nature of this seat is you will sink into it. So great for lounging certainly not formal. Measurements Height 86cm Width 76cm Depth 97cm Depth of seat 64cm Height of seat 45cm (On my website) If you would like this chair upholstered please click yes in the upholstery drop down menu. This would require 6 metres of material. You can supply your own or please browse our collections under the material section. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. Price includes UK mainland delivery
