Description

A late 19th century French brass carriage clock. It has a bevel edge top glass, a white enamel dial and spade hands. The 8 day movement strikes the hours and halves on a gong and has a lever escapement platform. The case is in excellent original good condition, having been polished and lacquered so that it will not tarnish. The movement has been fully serviced and is guaranteed for 12 months. If you would like a video clip of this clock working please email.
