Description

Circa 1910-1940 and possibly French, this pair of Art Nouveau heavy bronze candlesticks are well made with fine details around the top of the central column. They measure 24cm in height, the bases are 10cm in diameter and the candle cups are 6cm in diameter. They take a 2cm in diameter candle, and both are in very good condition. Each one weighs over half a kg and the bases have the original felt coverings. Postage and packing within the UK mainland only is included in the price and for remote areas or abroad please contact us for a delivery quote.
