Description

This desirable little chap is beautifully detailed from his puffed out feathers to the tips of his claws - and the detail doesn't stop at the front, he's fully three-dimensional and decorated on the back too. The brooch is rolled rose gold, a little rosier than it appears in the photos, complemented with ruby red paste eyes and a single hand-cut paste evocative of the moon above his head. Secures with a simple C clasp. In good vintage condition, some wear to the gold surface, mainly at the edges of the owl and on the back. Size: 2.2cm diameter. Weight: 2.3g.
