Description

1930s Tempo pocket watch. The watch has a Swiss 15 jewel stem-winding movement which is working nicely. The watch measures 47mm diameter excluding the winding crown and the loop. The case is rolled gold. The front of the case is in good condition while the hinged case back has some gentle unevenness. The acrylic lens is in nice condition. The signed gold coloured harlequin dial in its original finish and in good condition with just a little marking. Original hands, a subsidiary seconds dial and outer minute markers. The watch will come in a new presentation box.
