Description

Great chance to own a fabulous matching pair of original 1930's English wall light sconces. Moulded early plastic /acrylic with wooden back plates. The fluted detail at the base is made from anodized aluminium. A nice size too and will work well in most rooms, open topped so easy to change bulbs when needed and gives a good spread of atmospheric light. Condition is very good, just normal signs of wear - see pics. No damage. FREE UK DELIVERY
